Sub:- Application for scholarship.

Respected Sir

I shall be highly obliged if you kindly grant me a merit-cum-need scholarship for studying in LL.B. 2nd year. I have secured 65% marks in the LL.B. 1st year examination and hence secured 1st rank.

My father is a class IV employee in the Court and he cannot afford the expenses of my books and fee, hence I am in dire need of the scholarship. Hope that your goodself will consider my case with sympathy.

Thanking you

your Obediently
